Blake Miller is a seminarian for the Diocese of Peoria and part of the Class of 2026 for our Seminarians. I grew up Catholic and attended Catholic school through high school, but I fell away from the faith during my college years at Illinois State. While I attended Mass on Sundays and never lost my belief in the truth of the Catholic faith, I failed to live out my faith in any meaningful way. Upon entering graduate school in 2018, I sought to re-devote myself to my faith. Through spiritual and personal growth over the last few years, I felt God inviting me to consider a priestly vocation. In striving to follow His Will for me, I decided to enter seminary.
